## The Green Wheels Transportation Guide For the Marin Headlands and Fort Baker Area

*Created for the employees and volunteers of the  
Park Partner Organizations and the GGNRA division offices  
in the Marin Headlands and Fort Baker Area*

Your commute matters.

Learn more about your commute options  
(carpool, transit, bike, hike, and informal rideshare),  
which are collectively referred to as  
**Green Wheels Programs.**

*To enroll in the Green Wheels Programs contact your  
**Transportation Demand Management Coordinator\* (TDMC)**,,  
or attend the next Park Partner meeting hosted by GGNRA.*

*More information about the Green Wheels Programs is available  
on the GGNRA website at  
[www.nps.gov/goga/admin/transportation/](http://www.nps.gov/goga/admin/transportation/)*

**\*Transportation Demand Management (TDM)** refers to the effort to reduce unnecessary single occupancy vehicle trips, which contribute to smog, traffic, and natural resource depletion.

### **The Green Wheels TDM Programs**

Pick one or more of the programs below that fit with your schedule. When you drive you can pick up other people going the same way. If you don't drive, you can still get to work by coordinating with other people. Participation in the following programs can be pre-planned or spontaneous depending on the day. We encourage you to sign up in the carpool and the informal rideshare programs so that you have more than one way to get to work in case you want it or need it.

*Make your commute worth your time, money, and well-being.*

### **Form a Carpool**

Find people who live within two miles of your home who also commute to Marin Headlands and Fort Baker Area.

*Why? Because carpools can allow you to:*

- 1) reduce commute cost,
- 2) reduce commute time (when you use the HOV lane), and
- 3) meet new people.

*How?*

Register with the online ridematch database at [www.rides.org](http://www.rides.org). Be sure to set your default work schedule as shown below so that you can maximize your chances of finding a match. And for database organization purposes, type your work address as: 1000 Bunker Rd, Sausalito, 94965

#### **DEFAULT WORK SCHEDULE**

In the boxes below, indicate the times you usually arrive at your work site ("Start Time"), leave your work site ("Stop Time") and amount of flexibility you have surrounding each of these times.

Day	Start Time	Start Time Flexibility	Stop Time	Stop Time Flexibility
Mon - Fri	8:00 AM ▾	60 ▾ Minutes	5:00 PM ▾	60 ▾ Minutes
Saturday	8:00 AM ▾	60 ▾ Minutes	5:00 PM ▾	60 ▾ Minutes
Sunday	8:00 PM ▾	60 ▾ Minutes	5:00 PM ▾	60 ▾ Minutes

### **Take Transit**

*Golden Gate Transit:* Bus # 10 provides service from S.F. Civic Center (7<sup>th</sup> & Market) via Geary and from Mill Valley via Alexander Avenue. Buses run every 60 minutes from early morning to late evening on weekdays and weekends.

*Muni:* Bus # 76 provides service from Caltrain station in S.F. via Sutter, Van Ness, Lombard, and Doyle Drive. Buses run every 60 minutes from approximately 9AM to 6PM on Sundays & Holidays ONLY.

**Visit [www.Transit.511.org](http://www.Transit.511.org) for schedule information or call 511.**

GGNRA is working to expand transit services and improve bus facilities. Visit [www.nps.gov/goga/admin/transportation/](http://www.nps.gov/goga/admin/transportation/) to learn more about ongoing transit planning efforts and how you can be involved.

### **Hike and/or Bike**

*Why?* The number one reason to hike and bike is for health! It's also good for the environment.

GGNRA is working to improve bike and trail facilities (i.e. more signs, bike racks and bike lanes). Check with your TDMC about shower facilities, lockers and bike racks near your office. Alert them to your commute needs. Also, sign up with online services (described next) to find someone with whom to hike or bike.
